**Re: Adelphia Communications Corporation and Its Operating Subsidiaries
Waiver of Filing Fees Pursuant to 47 C.F.R. § 1.1117(a)-(c)**

Dear Mr. Fishel:

Adelphia Communications Corporation ("Adelphia") and ~~its~~ operating subsidiaries (the "Subsidiaries;" Adelphia and its Subsidiaries collectively will be referred to herein as the "Companies"), by their attorneys and pursuant to **Sections 1.1117(a)-(c)** of the Commission's rules, herein seek a waiver of Sections 1.1102, 1.1104, 1.1106 and **1.1117(e)** of the Commission's rules with respect to certain *pro forma* assignment applications submitted on July 17-18, 2002 by the Companies. On June 25, 2002, each of the Companies **filed** individual petitions for relief under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court of the Southern District of New York, jointly captioned In re Adelphia Communications Corporation, et al., Debtors (Case No. 0241729 (REG)). A copy of the **Notice** of Commencement of Case Under Chapter 11 of the Bankruptcy Code ("**Notice** of Commencement") is attached hereto as Exhibit 1.¹ All of the Companies that requested separate bankruptcy protection are listed in the Schedule of Chapter 11 Debtors attached to the Notice of Commencement.²

¹ This Notice of Commencement is the **most** consolidated evidence of the Companies' bankruptcy filings. Because, as **noted** above, each of the Companies filed their **own** individual bankruptcy petitions, providing each individual Company's bankruptcy petition would entail a **voluminous** amount of **paperwork**. The Companies will **be** happy to provide a sample bankruptcy petition upon Commission **staff request**. However, the Notice of Commencement should serve **as** adequate evidence of the Companies' bankruptcy filings.

² The Schedule of Chapter 11 Debtors includes many Adelphia subsidiary companies that do not hold FCC licenses.

Mr. **Andrew S.** Fishel
July **18,2002**
Page 2

In connection with the Companies' bankruptcy filings, the Commission's rules require the filing of *pro forma* assignment applications covering each and every FCC license held by the Companies. The Companies herein seek a complete waiver ~~of~~ the relevant filing fees normally associated with such *pro forma* assignment applications in light of the financial hardship the Companies now face. The Companies **are** filing the referenced *pro forma* **assignment** applications **on** July **17-18,2002** without any filing fees, and accordingly request that the Commission waive Section 1.11**17(e)** of its rules and defer the requirement to submit such filing fees until it renders a decision on the instant filing fee waiver request.

Courtesy copies of **all** of the *pro forma* assignment applications filed on July **17-18,2002** are attached **as** Exhibit 2 hereto. The applications consist of:

1. One FCC **Form 327** covering the *pro forma* assignment of **122** CARS station licenses (Fee Code: TIC), to be processed by the Media Bureau
2. One FCC Form 316 covering the *pro forma* assignment of one FM station license and one FM translator station license (Fee Codes: MDR and MDF, respectively), to be processed by the Media Bureau
3. Two FCC **Forms 305** covering the *pro forma* assignment of two **MMDS** station licenses (**Fee** Code: CCM), to be processed by the Wireless Bureau
4. Sixty-five FCC Forms 603 covering the *pro forma* assignment of **177** Land Mobile station licenses and **57** OFS station licenses (Fee Codes: PALM and **PEOM**, respectively), to be processed by the Wireless Bureau

For the Commission's convenience, a list of all applicants covered by the above-referenced applications and their FCC Registration Numbers ("FRN") is attached **as** Exhibit 3. **A** copy of this waiver request, without Exhibit 2, accompanies the original of every *pro forma* assignment application listed above.

Should there be any questions regarding the foregoing, please communicate directly with the undersigned.

Very truly yours,

Regina Famiglietti Pace

PURPOSE OF CHAPTER 11 FILING. Chapter 11 of the Bankruptcy Code enables a debtor to reorganize pursuant to a plan. A plan is not effective unless approved by the Bankruptcy Court at a confirmation hearing. Creditors will be given notice concerning any plan, or if this chapter 11 case is dismissed or converted to another chapter of the Bankruptcy Code. The Debtors will remain in possession of their properties and will continue to operate their businesses unless a trustee is appointed.

CREDITORS MAY NOT TAKE CERTAIN ACTIONS. A creditor is anyone to whom the Debtors owe money or property. Under the Bankruptcy Code, the Debtors are granted certain protection against its creditors. Common examples of prohibited actions by creditors are contacting the Debtors to demand repayment, taking action against the Debtor to collect money owed to creditors or to take property of the Debtors, and starting or continuing foreclosure actions or repossessions. If unauthorized actions are taken by a creditor against the Debtors, the Court may penalize that creditor. A creditor who is considering taking action against the Debtors or the property of the Debtors should review Section 362 of the Bankruptcy Code (11 U.S.C. § 362), and may wish to seek legal advice. The staff of the clerk of the Bankruptcy Court is not permitted to give legal advice.

MEETING OF CREDITORS. The meeting of creditors pursuant to Section 341(a) of the Bankruptcy Code (11 U.S.C. § 341(a)) is scheduled for 1:00 p.m. on October 1, 2002 at 80 Broad Street, Second Floor, New York, New York 10004. The Debtors' representative, as specified in Rule 9001(5) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), is required to appear at the meeting of the creditors for the purpose of being examined under oath. Attendance by the creditors at the meeting is welcomed but not required. At the meeting, the creditors may examine the Debtors' representative and transact such other business as may properly come before the meeting. The meeting may be continued or adjourned from time to time by notice at the meeting, without further written notice to the creditors.

PROOFS OF CLAIM/INTEREST. There is no deadline at this time for the filing of proofs of claim or proofs of interest. If the Bankruptcy Court establishes a deadline, you will receive separate notice of such deadline, along with a proof of claim or proof of interest form and instructions.

OFFERS TO PURCHASE CLAIMS. Certain entities are in the business of purchasing claims held by creditors against a debtor for an amount that is less than the face amount of the claims. One or more of these entities may contact you and offer to purchase your claim against the Debtors. Some of the written communications from these entities may be easily confused with official Court documentation or communications from the Debtors. These entities do not represent the Bankruptcy Court or the Debtors. Therefore, you have no obligation to sell your claim to these entities. In the event you do decide to sell your claim, any transfer of such claim is subject to Bankruptcy Rule 3001(e), any applicable provisions of the Bankruptcy Code and any applicable orders of the Bankruptcy Court.
